Daily Schedule of Fun

Morning Excitement:

- Drop-Off: Bring your dog in between 8:00 AM and 9:00 AM, and watch their tail wag with excitement as they step into a world of fun!
- First Walk Kick off the day with a refreshing morning walk, letting them sniff out all the morning smells and stretch their legs.

Midday Adventures:

- Meals: After their walk, we serve up delicious, nutritious meals tailored to your pet's needs—fuel for all that fun!
- Activity Training: Engage your dog with fun activity training sessions. It's a great way to reinforce good behaviour while they enjoy themselves!

Afternoon Fun:

- Second Walk: Another stroll in the sunshine to keep those tails wagging and spirits high!
- Playtime Extravaganza: Our daycare is packed with paddling pools for splashing, an agility course for jumping and running, and tunnel tents for adventurous hide-and-seek! Plus, we have exciting fun days out planned that your dog will love!

Rest and Recharge:

- Nap Time: Between all that action, it's nap time! Your pup will have a comfy spot to relax and recharge for more fun.

Pick-Up:

- You can pick up your furry friend between 4:00 PM and 5:00 PM. Need a later pick-up? No problem! Just let us know, and we can discuss arrangements for an additional cost.

Pawsitive Retreat

Services

We offer separate sleeping rooms downstairs and landing areas for your pet to choose from, ensuring they feel comfortable and secure throughout the night.

Fun Evenings Together:

During the warmer summer evenings, we love to get the blankets outside and enjoy movie nights under the stars with our projector. We also have cosy sofa setups for indoor movie nights, featuring fan-favourite films like *Snow Dogs*, *Benji*, and *Santa Paws*. Your pet will be part of the fun, lounging with us while we enjoy our favourite flicks!

Emergency Boarding

At Pawsitive Retreat, we understand that unexpected situations can arise—whether you need to be away for a night, face a planned hospital stay, or welcome a new bundle of joy into your life. We are here to help you during these times of need.

How We Can Assist You

Our emergency boarding service is designed to provide a safe and loving environment for your pet when you need immediate care. While we strive to accommodate all requests, please note that availability may be limited. We will do our best to find alternative solutions to assist you and ensure your furry friend is well taken care of.

Trial Period for Emergency Boarding

Given the short notice and the possibility of no prior meet and greet, the first 24 hours of your pet's stay will be classified as a trial. This trial period is still charged at the agreed emergency care rate. This allows us to assess your dog's temperament and ensure they are comfortable in our environment.

Documentation for Licensing

To comply with licensing requirements, we require proof of the situation necessitating quick boarding. This documentation helps us maintain accurate records and ensure the safety and well-being of all pets in our care.

At Pawsitive Retreat, we are dedicated to providing compassionate and reliable care for your pets, even in emergencies. Your peace of mind is our priority, and we're here to support you during life's unexpected moments.
